

Chedid Capital Holding Running in Beirut Marathon for Chance Association

For the 8th time, Chedid Capital Holding participated in the Beirut Marathon and for the 2nd year in a row for Chance, an association dedicated to children fighting cancer and other malicious blood diseases.

Farid Chedid, Chairman and Group CEO said that this participation reveals the Group's attachment to Lebanon as a Land of joy and life despite all circumstances. This initiative of Chedid Foundation "underscores the importance we grant to the sports spirit which should prevail in our country at all levels". "This year like last year we run for a noble cause, to give hope to children fighting cancer and in support for an Association which arduously help those children and provide them with necessary care", Chedid added and promised further initiatives from the Foundation in Lebanon and in the countries where the Group operates in. <http://executive-bulletin.com/other/chedid-capital-holding-running-in-beirut-marathon-for-chance-association>
